MINUTES OF THE MEETING

Internal Quality Assurance Cell (IQAC)

A meeting of the Internal Quality Assurance Cell (IQAC) was held on 13-03-2026 at 12:15 PM in the IQAC Room under the convenorship of Prof. Sudhir Kumar Pundir.

The following agenda items were discussed in detail:

1. Review of Data Collection and Documentation for UP-PRAMAN Portal

The members reviewed the progress of data collection and documentation required for uploading on the UP-PRAMAN Portal. It was observed that most departments had submitted the required information; however, some departments were yet to provide complete and properly verified documents. The Convenor instructed all concerned members to ensure accuracy, proper formatting, and timely submission of the pending data. It was resolved that the departmental coordinators would coordinate with IQAC for the completion of the remaining documentation work at the earliest.

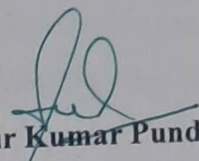

2. Planning of Quality Enhancement Activities, Workshops, Seminars, and Student Support Programmes

The committee discussed various quality enhancement initiatives to be organized during the session. Members proposed organizing workshops, seminars, faculty development programmes, career guidance activities, and student support programmes focusing on skill development, mental health awareness, research aptitude, and employability enhancement. The committee emphasized encouraging active student participation and interdisciplinary collaboration in such activities. It was resolved that departments and committees would prepare tentative activity plans and submit them to IQAC for approval and coordination.

3. Review of the Progress of Tasks Assigned to the Members of the NIRF Committee

The progress of the tasks assigned to the members of the NIRF Committee was reviewed thoroughly. The members presented updates regarding data compilation, verification, and documentation related to various NIRF parameters. The Convenor appreciated the efforts

made by the committee members and advised them to maintain consistency and accuracy in data presentation. It was resolved that all pending work related to NIRF documentation would be completed within the stipulated timeline to ensure smooth submission of institutional data.
