TYPES
OF
BARRIERS
TO
COMMUNICATION

PHYSICAL
BARRIERS

INTERPERSONAL
BARRIERS

CULTURAL
BARRIERS

LINGUISTIC/ SEMANTIC BARRIERS

Linguistic means related to the language whereas semantic means the meaning of the words.

- Language difference
- Dialects and different accent
- Badly expressed message
- Faulty translations
- Technical Jargons
- Unclarified assumptions

PSYCHOLOGICAL BARRIERS

- Lack of attention
- Premature evaluation
- Poor retention
- Distrust
- Loss in transmission
- Different perception

CULTURAL BARRIERS

- Culture shapes the way we think and behave.
- Cultural difference leads to difference in interest, knowledge, value, and tradition. Therefore, people of different cultures will experience these culture factors as a barrier to communicate with each other.

PHYSICAL BARRIERS

- Noise
- Distance
- Time
- Channel

ORGANIZATIONAL BARRIERS

- Organizational policy
- Rules and regulations
- Status of relationship
- Complex organizational structure
- Organizational facilities

INTERPERSONAL BARRIERS

- Fear
- Distrust
- Attitude
- Ego
